## BACKGROUND AND EXPERIENCE

**Please briefly present the partner organisation (e.g., its type, size, scope of work, areas of specific expertise, specific social context and, if relevant, the quality system used):**

VogalHorizontal specialises in training, integration, inclusion and entrepreneurship, with the aim to help integrate and include the disadvantaged, immigrants, migrants, refugees, and expats into society.

The informal training offered by VogalHorizontal mainly includes upskilling such as personal development and job support, preparing the newcomers and helping them integrate in their new country. The training offered is intended to help the newcomers integrate and build a successful future. VogalHorizontal also offer language support, such informal language learning and proofreading to associations across their region.

The team also have a background working in digital marketing. As a result of this experience, VogalHorizontal can train local companies and entrepreneurs looking to start their own companies, enhancing business growth on a local, regional, national, and international level. VogalHorizontal provide ongoing support to entrepreneurs to help grow their business.

VogalHorizontal have recently launched the Algarve Newcomers Network. This network is designed to connect migrants, immigrants, refugees and expats, and has a wide offering, including cultural events and activities, job support, and creating co-working spaces, with the overall objective of providing a warm and inclusive space for newcomers.

VogalOrizental can contribute to projects with experience in training, communication, digital marketing and the creation of learning and educational materials. The team are also experienced with research and reporting.

VogalOrizental are also well connected throughout the region and have numerous contacts and associates needed for dissemination, as well as for training and integration purposes.

## TEAM MEMBERS

**What are the activities and experience of your organisation in the areas relevant for this project? What are the skills and/or expertise of key persons involved in this project?**

The VogalOrizental team has experience in training, the production of learning and educational materials, digital marketing, and research and reporting, whilst also having a strong focus on entrepreneurship and business development. VogalOrizental also offer services such as informal language learning and proofreading to associations across their region, and they also run the Algarve Newcomers Network, a network designed to integrate and provide social inclusion to newcomers.

Based on their experience, we feel this makes VogalOrizental a good choice of partner for the management of dissemination activities, as well as quality and risk management, and working on and managing suitable Work Packages/Activities (Intellectual Outputs).

### **Naomi Palmer – Manager**

Naomi has a BSc Honours degree in New Media and has a strong background in research and digital marketing.

Naomi offers informal language learning and proofreading to associations across the region. She also runs the Algarve Newcomers Network and hosts regular inclusion and cultural events.

She also works at Learnmera Oy, a private adult education provider and translation company that has considerable experience in educational resource, website creation and mobile application content building.

Naomi has experience in creating learning materials, as well as project managing Erasmus+ projects for Learnmera Oy. Although VogalOrizental are a newcomer, Naomi's previous experience and knowledge will be of great value to new projects.

### **Andrew Palmer – Manager**

Andrew has a strong involvement with voluntary work. He is Trustee for One Voice, a voluntary community group based in the UK with charity status, bringing together the local community on a regular basis encouraging integration and inclusion.

The aim of Andrew's work with One Voice is to promote and contribute to the physical, social and economic regeneration of the community and to reflect and represent the views of all community members, regardless of age, health, sex, creed or religion, helping them to achieve the best possible quality of life.

Andrew is also Life President for a voluntary junior and intermediate sports association in the UK which has held the Community Charter Standard since 2003. The sports association provides

coaching by qualified voluntary coaches. The association prides itself in being able to provide coaching for all ages, abilities, race and religion.

The experience and knowledge Andrew has gained working with these groups will be of great value to Erasmus+ projects.
